

FACTSHEET

ENGAGE WITH THE EMERGING

Transform at the intersect of unparalleled domain expertise and emerging technologies to achieve real-world business impact.

Coforge is a leading global IT solutions organization, enabling its clients to transform at the intersect of unparalleled domain expertise and emerging technologies to achieve real-world business impact. A focus on very select industries, a detailed understanding of the underlying processes of those industries and partnerships with leading platforms provides us a distinct vantage. We leverage AI, Cloud and Insight driven technologies, allied with our industry expertise, to transform client businesses into intelligent, high growth enterprises.

Today our proprietary platforms power critical business processes across the Financial Services and Travel industries. Our 11,000 technology and process consultants engineer, design, consult, operate and modernize systems across the world.
